## Festivals

### Kosaka Tanabata Festival

Kosaka town's most famous festival is the Tanabata festival. There are many floats in this festival. It's so cool and cute. It's always held on August. We can see beautiful floats and listen to powerful music.

### Lake Towada Winter's Tale

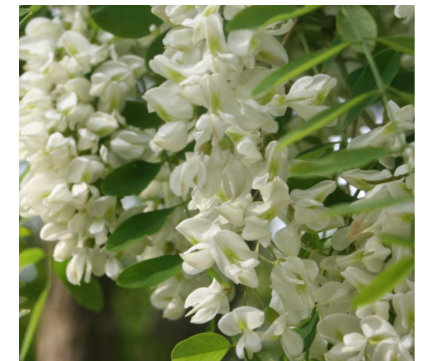

The festival is held at Lake Towada in February. You can enjoy the snow statues and fireworks. Why don't you go to this event ?

### Heart-shaped Rocks

These are Heart Rocks. You can see them near the Mine Office. Why don't you try finding them ? If you find them, you will be happy!!

We have more!

# Korakukan Theater

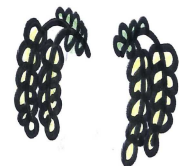

Korakukan Theater is the oldest theater in Japan. The building is an important cultural property. It has both Japanese and western styles. You can see many kinds of plays there. You can also enjoy many kinds of lunches.

# Kosaka Mine Office

Kosaka Mine Office is beautiful. You can wear dresses and take pictures. You can learn about the history of Kosaka town there. You can enjoy lunch there, too! The mine office is designated as a nation important cultural property.

## Nanataki Falls

It is a big water fall. Nanataki has a legend of dragons. Nanataki has seven steps. Its height is more than 60 meters high. There is also a rest stop near it.

## Katsu ramen

Katsu means "cutlet of pork". We put katsu on ramen. It is delicious!! But it's very filling. We love Katsu ramen !

## Momobuta

Momobuta is good pork. Momobuta is made by Porkland Group. It is made with a good health system in mind.

## Grapes

Grapes are made in the Tokito area. We can make wine with Tokito grapes. They're so delicious. You can enjoy picking them, too. Why don't you try it ?

## Kosaka Tetsudo Rail Park

We can see many kinds of trains, especially, old trains. You can drive engines and ride rail bikes. You can stay the night in a refurbished sleeper car, too. It is exciting.

## Lake Towada

Lake Towada is famous for Himemasu, a kind of fish. You can eat it. It is delicious. You can enjoy beautiful sceneries during all seasons. Fall is the best season to see. Lake Towada has a legend about Hachiro Taro. Check it out.
